

Dear Festival Friday Supporter:

Create Buckhannon is gearing up for our ninth Festival Friday's season at Jawbone Park to run June 4-Aug. 27, 2021. Last year, our 2020 season was canceled due to COVID-19. We recognize the strain that COVID-19 has caused in our community and are excited to bring the fun of Festival Fridays back for Summer 2021.

Each year, we seek sponsors to assist with the cost of bands/entertainment, sound and incidentals that might occur for production of the 13-week event. If you were a sponsor in the 2019 season, Create Buckhannon will carry that sponsorship over to the 2021 event, without the need to renew. Should you be able to financially support Festival Fridays, then any monetary donation would be appreciated.

Our sponsorship fees are as follows:

Light pole banner: \$500 showcases your business logo on a banner to remain up all season in Jawbone Park. Your business may be showcased at one of the Festival Fridays during the season and you may have a booth to promote your business.

Friends of Festival: \$100 sponsor to have your name/business on a banner that goes up each week at Festival Fridays.

Festival Fridays is the place to be in Buckhannon on Friday evenings for family fun, food, produce, local arts and crafts and live music. We have already booked some exciting bands and secured a variety of community vendors to ensure an exciting season this summer. A schedule will soon be up at www.festivalfridays.org.

We hope that you will support us for our 2021 Festival Fridays. A form has been included for your convenience.

Thanks in advance for your support of Festival Fridays 2021.

Sincerely,

Create Buckhannon
Festival Fridays Committee
